

DATA BREACH CHECKLIST

Our Data Breach Checklist has been created as a framework in the event of a Cyber Incident. We encourage you to fill out your key contacts and distribute these to your staff. So in the case of a cyber incident, they know how to escalate and who to alert. This checklist has been created as a guide and may need to be amended to best suit your organisation. Other documents may also need to be created in support of the actions below.

Please fill out the following information below:

KEY CONTACTS	NAME	EMAIL	PHONE NO.
IT Service Provider			
Insurer 24/7 Response Team			
Insurance Broker			
Chief Technology Officer / Head of IT			
Chief Risk Officer / Head of Compliance			

Note: an eligible data breach occurs when the following criteria are met:

- There is unauthorised access to, or disclosure of, personal information held by an organisation or agency (or information is lost in circumstances where unauthorised access or disclosure is likely to occur).
- This is likely to result in serious harm to any of the individuals to whom the information relates.

The organisation or agency has been unable to prevent the likely risk of serious harm with remedial action.
